I have passed through many troubles in my primary school, since my father deid, My mum decided to leave our home land because of many problems, but by God's grace I am in form two but I can't excell well because of hard times I have gone through. I don't have equipments required for a student to perform well although I tryies my best.

My mum is a widow and she had been jobless for many years atleast mum ~~used~~ weddy provided her with job but she can't meet our needs, I would like to school up to the highest level to prove that digit '0' is a number. So that I can help people who have suffered like me.

I have problems which I face when I am schooling and that is school fees. Being sent home now and then because mum can't afford it at once. Now I have balance of 9,030 ksh which I would like ^{you} to help me with to fulfil my dreams ~~trasto~~ ^{would} I would like you to help with personal needs, My school fees per term is 5500 ksh and my personal uses is 600 ksh per ~~month~~ ^{month} I would like to go to a boarding school to use my time with books, because I waste ^{alot} ~~me~~ of time going to school and from and I go to school with no lunches.
